

Say hello to... BeviSport

Insight

45% of consumers are looking for sports drinks with natural flavors and lower sugar profiles.*

All the recharge, none of the junk. Most sports drinks are loaded with sugar and synthetic dyes. We're delivering a clean, electrolyte blend designed to support rapid hydration without the typical sugar crash.

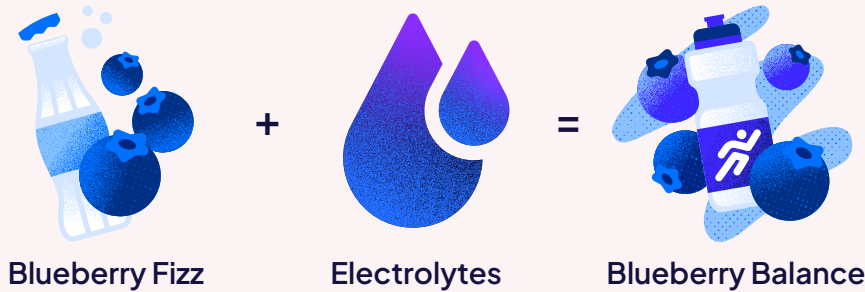

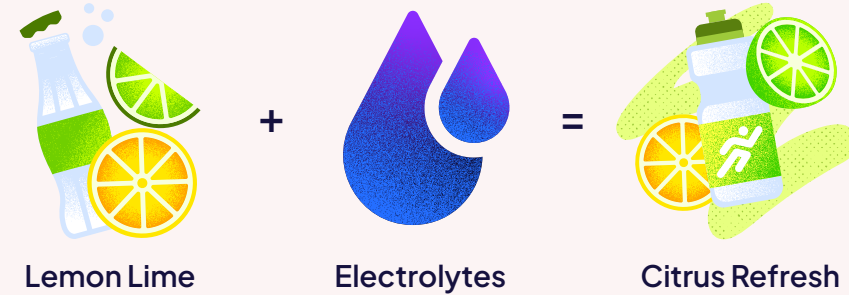

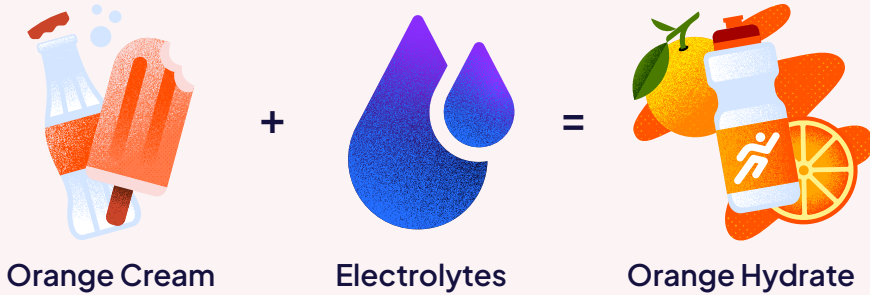

A fully customizable sports drink solution that turns every Bevi machine into a high-performance hydration hub.

- ★ **102.5 mg of electrolytes** per serving
