

The Standup 1.5-Refurbished water dispenser

Description

Still and sparkling water, 4 tasty flavors, and remote monitoring to ensure your machine is always well-stocked. It only takes up 4 sq. ft. of floor space but may attract a crowd. Feel confident with our Refurbished machine program and experience a reputation you can trust.

Standard Features

Touchscreen - Our 10.1" touchscreen enables an intuitive and easy way to select, build, and customize your drink. Look out for fun touchscreen surprises and our energy-saver mode at night.

Refill station - All bottles within 11" height fit easily into the dispenser area. With our single-nozzle design and colorful lighting, filling up is clean and easy.

Easy install - All you need is a standard 3-prong US 115v electrical outlet and 3/8" outer diameter water line.

Touchless dispensing - Control your bottleless water dispenser from your phone—no app or configuration required. It's like magic.

The Well - Let us do the work. Real-time remote monitoring of flavors and CO₂ ensures the bubbles, and the fun, never stop.

Water and flavor options - Still and sparkling water with 4 slots for flavors and enhancements. Mix up to 3 selections into your beverage at a time. We recommend 3 flavors and 1 enhancement for the optimal beverage creation.

Dimensions - 61.25" H x 22.25" W x 23.5" D
