

hydrate happy[®]

It's unavoidable for customers to have wait times during sales and service. **Bevi's Smart Water Cooler[®]** machines help turn that downtime into a premium experience—without the cost, clutter, or waste of bottled beverages.

Boost CSI scores

Give customers something unexpected and worth talking about beyond free coffee and snacks.

Capture attention

The best car dealerships in the country use a Bevi machine to make their space elevated and memorable.

Close more sales

Comfort leads to trust. The longer they stay—and the better they feel—the more likely they are to buy. A Bevi machine can help people stick around longer in your dealership.

Cut costs and waste

No fridge restocking, no storage headaches, no single-use plastic waste. An empty fridge looks bad on the showroom floor. With a Bevi machine that stays stocked thanks to smart technology, you always come off as professional and modern.

With an advanced water filtration system, Bevi machines can remove **99.9% of microplastics and contaminants.***

The Standup 2.0
