

hydrate happy.®

The smart, bubbly water dispenser that delights students and staff alike. With an advanced water filtration system, Bevi machines can remove 99.9% of microplastics and contaminants.*

Keep everyone healthy and happy

Whether in the cafeteria, teacher's lounge, or common areas, serve up still or sparkling, hot or cold, flavored or plain water – delivered on-demand at the touch of a button.

Goodness in every sip

Swap out sugary beverages with zero- and low-calorie drinks made with natural flavors. Customize your cup by mixing flavors and enhancements like Vitamin Boost or Electrolytes.

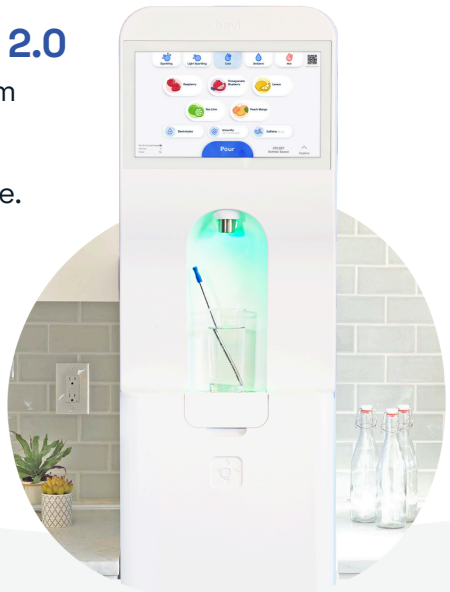

Cheers to a greener future

Every sip makes a difference – one Bevi machine helps your school save thousands of bottles and cans each year, teaching the value of sustainability while keeping your student body refreshed.

The Standup 2.0

Provides maximum variety and personalization with ultimate ease.

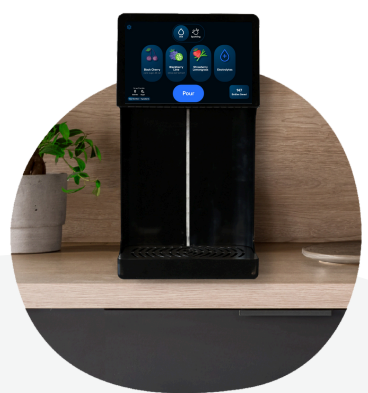

8 DISPENSE OPTIONS

The Countertop 1.5

Looks ideal in any communal area with an innovative design that hides the plumbing in cabinets.
