

The smart bubbly water dispenser

www.bevi.co

Why Bevi?[®]

Goodness in every sip

Staying hydrated never tasted so good with our naturally flavored, zero- and low-calorie beverages.

Hydration simplified

Eliminate the hassle of restocking single-use bottles and cans with the power of smart technology.

Cheers to a greener world

Your Bevi[®] machine can save thousands and thousands of bottles and cans a year.

Our Smart Water Coolers[®]

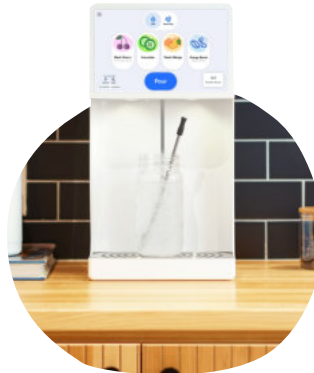

The Standup 2.0

- Enjoy filtered still, light sparkling, and sparkling water
- Pick from a range of temperatures: cold, ambient, or hot water
- Relish in ultimate variety with 8 flavors and enhancements
- Mix up to 3 flavors and 2 enhancements to craft your perfect drink
- Experience an expansive, easy to use 15.5" touchscreen

The Countertop 1.5

- Keep all of the plumbing tucked away in a cabinet—and the experience of pouring up top
- Enjoy filtered still or sparkling water
- Delight in 4 flavors and enhancements
- Mix up to 3 flavors or enhancements
- Experience an intuitive 10" touchscreen
- And your 10" tall water bottles are welcome too!

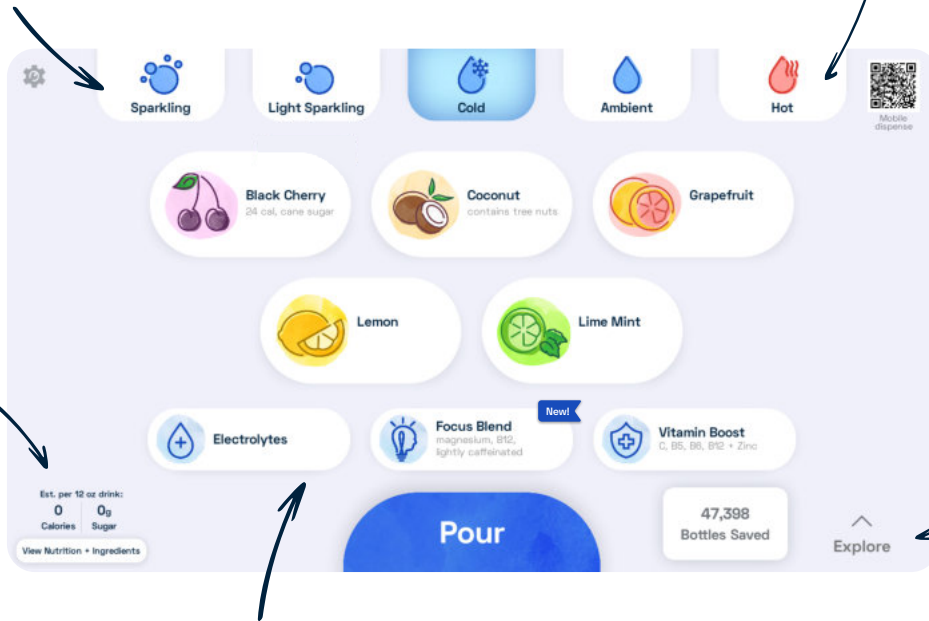

How it works:

1 Choose your bubbles

All water passes through our state-of-the-art carbon filters, so you don't have to worry about microplastics, taste and odor, bacteria, or anything else that shouldn't be in your cup.

2 Choose your temperature

Enjoy water chilled to a crisp 38 degrees. The Standup 2.0 also includes hot and ambient options, ready for any time of day or mood you're in.

REVIEW NUTRITIONAL INFORMATION

Wondering what's in your beverage? Nutrition facts are a tap away.

LEARN MORE

See how many bottles you saved, your most popular flavors, and more.

3 Choose your flavors & enhancements

Handpick from a large variety of zero- and low-calorie beverage options made with natural flavors. Vegan, kosher certified, and gluten-free.

Installing your Smart Water Cooler

Assembled in the USA!

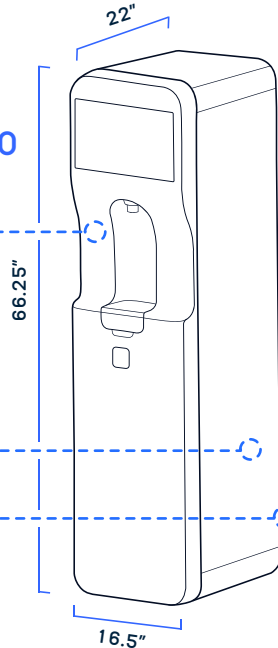

Our water coolers and beverages are all proudly crafted in America, ensuring the highest standards of quality.

The Standup 2.0

Meets ADA physical requirements

Access to 1/4" outer diameter water line and 115V electrical outlet

Clearance requirements: 1" around the sides, 2" in the back, 3" on the top

22"

From setting it up to keeping it running smoothly, Bevi® takes care of it all with smart features and remote monitoring to give you peace of mind.

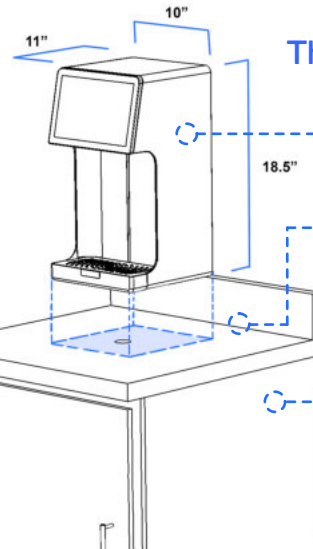

- Bevi® and our suppliers know when you're running low on flavors and enhancements.
- See consumption trends to know what people love or what they'd like swapped out.
- Your smart water cooler alerts your Bevi® service provider when it needs attention.

The Countertop 1.5

Access to 3/8" outer diameter water line and 120V electrical outlet

1-1/4" diameter hole through the countertop to route wiring

For hidden plumbing, a total of 21" wide / 22" tall / 22" deep of cabinet space is required

What's all the fizz about?

“Bevi’s commitment to helping our employees stay healthy while lessening their environmental footprint aligns with our commitment to creating global change through local and individual action.”

MIKE MATTERA

Akamai

“Bevi is now in all our kitchens at Lyft HQ. Previously we stocked other flavored waters, both still and sparkling...and we have saved over 310,000 bottles!”

MATT MOHAMED

Lyft

“We believe in putting ingredients first and living a healthy lifestyle. We wanted to offer something... that was not only delicious, but also better for you than your standard soda. That’s why we chose Bevi.”
