

# Say hello to... BeviEnergy

## Insight

63% of consumers say they are concerned about the artificial ingredients in traditional energy drinks, and 50% of energy drink users now look for natural caffeine sources.\*

Upgrade your energy source. Some cans are a cocktail of artificial flavors and dyes. BeviEnergy uses our low-sugar, crisp sparkling bases to deliver a clean caffeine hit that fuels your hustle, not a sugar crash.

Every BeviEnergy beverage comes with the perfect dose of caffeine for just the right pick-me-up.

- ★ 100 mg of caffeine per serving
- ★ Low Calorie: 15 calories/serving
- ★ Low Sugar: 4 g/serving
- ★ NO artificial flavors or sweeteners
- ★ NO artificial colors or dyes
